## PROPOSAL FOR SUPPORT – WORLD LEFT-HANDERS DAY (AUGUST 13)

Dear Mr./Mrs./Sir/Madam,

Warm greetings from **Southpaw Society Ghana**.

As we approach *World Left-Handers Day* on **August 13**, we are proud to lead a nationwide campaign celebrating and empowering left-handed individuals across Ghana. We respectfully write to seek your support for this impactful initiative.

---

### About Us

**Southpaw Society Ghana** is a registered nonprofit organization advocating for the rights, dignity, and inclusion of left-handed people. Our mission is to:

- **Educate parents and caregivers** on the negative effects of forcing left-handed children to switch hands.
- **Challenge stigma and harmful myths** in schools, communities, and religious spaces.
- **Empower left-handers**, especially youth, to embrace their identity and fulfil their potential.

---

### 2025 Campaign Plans

To mark *World Left-Handers Day*, we will host:

- Public awareness and media campaigns
- Educational workshops and school outreach
- Community dialogues
- A youth empowerment forum, including mini-grants for promising left-handed initiatives

## How You Can Support

Your **financial or material support** will directly help us:

- Print educational materials and advocacy tools
- Rent venues and manage logistics
- Provide transportation and refreshments for participants
- Offer mini empowerment grants for young left-handers

### **Donate via MTN Mobile Money**

**Merchant ID:** 000882

**Name:** *Southpaw Society Ghana*

No amount is too small. Every cedi counts toward building an inclusive Ghana for left-handed individuals.

---

## Contact Us

We would love the opportunity to discuss our plans with you further.

**Linda Nmonkua Bumor**

*SOME PICTURES FROM OUR OUTREACH CAMPAIGNS IN SCHOOLS AND WITH PARENTS*

---

*Figure 1. A picture showing a number of young Southpaws who have suffered this stigma and being forced to switch hands. In the picture is also the headmistress and some teachers of the school*

Figure 2. Educating the entire student populace on the need to accept their colleagues who are southpaws and not to stigmatise them.

*Figure 3. An interaction with the parents educating them on the need to allow their children use their dominant hands and not switch hands for them especially at home because it has negative repercussions.*

*Figure 4. Parents in conversation with the Director of Southpaw Society Ghana, sharing the emotional and developmental challenges their children face after being forced to switch from left to right hand.*
